My Calla Lily

Ah- this is my first Owari No Seraph fic- so please bear with me. ;;

Also credit goes to Chiyozora-San for thinking up the plot!

The pairing is Guren x Yuu x Shinya

Don't know if I'll have anything nsfw in it though-

Ah- While I'm writing/typing this- I'm playing TouRabu ahaha.

Alright! let's get started!

Why am I so pure rn- I'm a piece of trash honestly. Ahahah ;;.

I'm sorry if they seem a bit OCC.

Let's go!

><p>He hid. Running from the men who were after him. As fast as he could, knowing that if he failed to run, everything would be over. In his torn up clothing, he hid in the allies of the city. With his small body, he was able to hide there, without having the males catch him. All he did was grab a piece of food from a stall- he needed it.

He depended on it. He hadn't eaten for days, the last time he ate was when he grabbed all of the non-freezable food from the fridge of his place and put it in his bag, eating much of it soon later. He didn't know that money would be spent that quickly. He couldn't get a job either- not unless they allowed hoodies, how else would he hide those cat ears and tails? Which were a side effect from his uncle using him as a guinea pig for his experiments. He looked up, then peeked out of the alley, no sign of the men, he sighed, though he decided that staying in for a bit longer would be better. _Might as well take a nap_, he thought and closed his eyes slowly.

><p>"Hm...I wonder which one would be good..." the silver-haired male said, walking past by the different shops of the busy city. "Ah..I wonder what he would want for his birthday." He sighed, wondering what gift he should give to Guren.<p>

Shinya Hiragi, 16, attending a school that specializes in the government forces, living with a childhood friend- Guren Ichinose. Walking by a alley, he passes it without much thought. He then stopped. He looked closely at the alley, looking into the alley, he noticed the shape of a human body. Luckily, he was able to fit. He went closer to the human body, taking out his gun, in case something happened. He then kneed at the body, looking closely at it. The body was quite messy, though he was still able to see a few features of this body. He grinned, with a new idea of what to give to Guren for his birthday. He looked even more closely and noticed something unusual, a pair of cats ears and a tail. He grinned, looking at the sleeping boy. He then softly rubbed the ears, along with rubbing the tail.

"Nhmm.." The younger boy moaned, he shifted a bit before opening his eyes. When he looked at the older male- he jumped, "W-who are you?"

"I'm Shinya Hiragi~ Now, now lets go."

"Go? What the hell? I'm not going with you to anywhere! You creep!"

"I'll give you food, and a place to live, as long if you'll be Guren's birthday gift."

The thought of a warm place to live, with warm food made him doze off a bit, with it almost being a month since he ran away from home. "Sounds good.." He slipped out.

"Alright! Let's go then."

"Wha- No! I- I didn't agree! Put me down!"

"It's fine, I assure you a nice life." Shinya said, then kissing him on the forehead, carrying him, then bringing him to his apartment.

He opened the door of the modern apartment, he then put down the small male. The male ran to a corner, hiding.

"Now, don't be a afraid." He looked around, "Seem's like he isn't

back from patrol yet." He then turned his attention back to the male. "Let's get you to shower."

He grabbed the small male, then placing him into the shower, after talking off his clothes. His eyes widened at the bruises on his body. He shrugged, and continued to clean the small male.

"Ah, what's your name?"

"Yuuichiro. Yuuichiro Hyakuya."

"Ah, then is Yuu fine?"

"Yeah.." he mumbled.

"Alright! You're done."

><p>Yuu was dressed in Shinya's clothes, the smallest one he could find that would fit the male.<p>

"Let's go get you some clothes. Ah, we should eat first."

They went to a nearby fast food restaurant, one that he and Guren often went to. He ordered the food, the moment the food came, Yuu was shoving down the food. Shinya watched, looking at the male with the hoodie, hiding the ears, long enough to hide the tail, which looked like a decoration. With his eyes on Yuu, his eyes sparkled for a moment. With his memories flashing back to earlier, with the bruises, knowing that he should report on that and get a case on Yuu, though he couldn't bring himself to tell him that. When they were done, they went to a shop to get some clothes for Yuu. Over picking and picking out several outfits, they finally decided one for him to currently wear, Shinya then purchased the outfit.

Yuu was in a hoodie, that was black, with large enough space for his ears to take shape, along with his tail poking out, though no one was really surprised, since it matched the color of his hoodie, which by the way, they were in a female clothing shop. The designs were made for the girls who liked the 'moe' look. He then was wearing a pair of shorts, and knee-high socks, which were black. Along with a pair of sneakers. He was told by Shinya that today was the only day that he'd be wearing such girlly, along with the rest of the clothes that were bought to be in a quite cooler style.

><p>When they arrived back at the apartment, Guren was there, on the couch by the TV, watching the news, of a boy who left home, which was the nephew of one of the most popular science labs. When Yuu saw the new, his eye's widen, he then saw Mika. Mika, his cousin, who was well loved by his uncle- the scientist, other wise his son. He was forbidden to go near Mika, though they were as close and to items stuck together by super glue, they were cut apart. His parents, a mother and father, who loved gambling, drinking and drugs, was never home for him, when they were, all they did was beat him, call him stuff such as, "Demon!" "You should of never been born!" "Monster! Monster!" "Worthless!" "No one would want you!" All they did was keep hurting him. He was used as a toy for his uncle, being tested. His

parents didn't even care when they found out that his uncle was using him as a mouse. They even said to experiment on him more, so they would get more money from him. He was being sold, his body was being used for money. If he died or not, his parents wouldn't care, in fact, they'd be glad. He was being looked for, only for one reason- an experiment had just been tested on him, and his uncle, would like to find the effects of it, once he found him, he would probably be brought back to the lab, only to be experimented on more. He had no worth, he told himself.<p>

"...Yuu..go hide..." Shinya's soft voice said, pointing over to a corner.

He snapped out of it, and did as he was told, he didn't care- as long as he was being fed and given a place to live, he wouldn't need to care.

He watched Shinya talking to his friend, then called Yuu out.

"Happy birthday!"

Guren looked at what was being presented to him.

"A- Human?"

"Yuu! Come on!"

"Happy birthday."

Guren get's closer to the boy, taking off his hoodie, shocked at his ears, he rubs them, making Yuu moan a bit, causing him to blush.

"What- What the hell, Shinya?! Bringing- a hum- cat boy- or whatever to me?! Wouldn't we get arrested for this? This kid looks like a idiot too!"

"Idiot? Did you just call me idiot?!" Yuu says, looking at Guren. He jumps on Guren, ready to fight him.

"Oi! Get off!"

They fought- in a comical way of course. They then were sitting on the table. With Yuu as the center of attention- needing him to explain how he got here and such- his whereabouts. He explained, as detailed as he could. He was close to tears at one point, talking about Mika. Guren realized that he was the one that was mentioned on the news. He said nothing about it. They had the cake and went to sleep, with Yuu sleeping with Shinya because the two simply just couldn't get along with each other.

* * *

><p>As he slept, he thought of things that were going on at home, he moaned and groaned in his sleep, mumbling Mika's name. Shinya was wakened by his noises, he then hugged him closely to him, remembering how it was like, being adopted, he pat his head, kissing him on the forehead, calming him down. He then carried Yuu in be sitting on his legs, talked with him for awhile, he then slowly fell asleep, like a young child. He knew that from the moment he saw Yuu, that he would

bring him home. He looked back at how he looked like talking about himself, the hatred and fear in his eyes were shown. He felt as if Yuu was all needed to protect, never-less he would never deny his own feelings. He trusted his own feelings, and knowing Guren for such a long period of time, he knew that a small spark of interest of Yuu was in Guren, he smiled, slept and woke up the next morning as if nothing happened.<p>

* * *

><p>"Good morning, Yuu, Guren." He said as he walked out of his bedroom, already changed, with his face washed and such.<p>

There was a aura, a aura between Yuu and Guren. Glaring at each other.

"Bet your cooking isn't even good."

"Shut it. You're my birthday gift- I could do what I wanted with you."

"Tch."

"Don't 'tch' me. I bet you're still a cherry boy." He smirked.

"W-wha-"

"Can't deny that can you?"

"I-it's true but- I- I haven't found anyone yet!"

"How cute." Shinya said, going into the conversation.

He leaned in, kissing Yuu. Which made everything silent.

"Alright- Gotta patrol now. I'll go get something else to eat, thank's for the good-bye kiss, Yuu-Chan." He winked, then before leaving the apartment, he blew a kiss over to Yuu. "Bye bye~ Guren and Yuu, you guys need to get along okay?" He left.

It was silent during breakfast, truth was, he was pretty good at cooking, Guren. The older male took several glances at Yuu while drinking his coffee, with Yuu adding several cubes of sugar.

"You- You were the one shown on the TV, weren't you?"

"Yeah. You gonna take me back to him?"

"No. Not after what you told me about him, we could get him in jail."

"No."

"What?"

"No, don't do it."

"Why?"

"Because- If- you do, Mika will- Mika will have no family."

Guren leaned closely at Yuu, staring into his eyes. They looked at each other for quite awhile. They- well Guren got closer, they could feel each other breathing. Yuu was blushing hardly at this point. Guren snapped out of it.

"So how was it?"

"How was what?"

"Getting your first kiss taken away." Guren smirked.

"Wha-"

"I could tell y'know. If it wasn't you're first, you wouldn't be blushing that long. Suck for you, you're first kiss was by a guy." He laughed.

"Hmph."

"Say-"

"What is it?"

"No- nothing." Guren held back the thought of taking him to some place to get his cherry popped.

This is the city after all, the city with the highest crime rates in the red district, often called Night Deaths, with the amount of crime and death high there. Along with the amount of night clubs, where Yuu could of simply gotten his cherry popped anytime.

He held back the idea, the thought of Yuu getting his cherry popped by someone else made him quite angry, though he was sure to himself that it was just a small feeling that would go away.
